Guidelines for authors submitting papers to U.Porto Journal of Engineering: a template to follow

John Smith¹, António Silva², Lorenzo Ortiz³

¹Departamento de Engenharia Mecânica, Faculdade de Engenharia, Universidade do Porto, Rua Dr. Roberto Frias, 4200-465 PORTO, Portugal (john.smith@emailaddress.com) ORCID 0000-0003-3451-0458

²Faculdade de Engenharia, Universidade do Porto, Rua Dr. Roberto Frias, 4200-465 PORTO, Portugal (antonio.silva@emailaddress.com) ORCID 0000-0003-3451-0458

³INESC-ID, Lisboa, Portugal, (lorenzo.ortiz@emailaddress.com) ORCID 0000-0003-3451-0458

Abstract

Having a well-prepared abstract should allow the reader to identify the basic content of the paper in a quick and accurate way. It should summarize the contents of the paper and have between 70 and 150 words. The font size should be set in 10 point and should be inset 2,0 cm from the right and left margins. The text should be justified.

This document describes U.Porto Journal of Engineering and exemplifies the major guidelines that authors should follow to format the manuscript when submitting.

Author Keywords. Author should use keywords using natural language. Keywords must be separated by commas.
